

ACKNOWLEDGEMENTS

I would first like to thank my thesis advisor Dr. Mayureesirin Siriwan of the English Language Studies Faculty of Humanities and Social Sciences, Rajabhat Mahasarakham University. The door to Dr. Siriwan's office was always open whenever I ran into a trouble spot or had a question about my research or writing. She consistently allowed this paper to be my own work, but steered me in the right direction whenever she thought I needed it and Assistant Professor Dr. Sooksil Prasongsook who always guided me to prove the grammatical accuracy in writing this paper.

I would like to thank the experts who were involved in the validation survey for this research project: Associate professor Dr. Narongrit Sopha, Associate Professor in Art Program in Development Strategy, Dr. Upit Muantong, Educational supervisor in the Secondary Educational Service Area Office 27 (Roi-et), Mrs. Karanyawan Kainunsing, Educational supervisor in the Secondary Educational service Area Office 27 (Roi-et) who checked the contents and language used in this research. Mrs. Nipharat Thummasarn, Senior Professional Level Teachers (K 3 Teachers) in Chumchonchiangmaipattana School and Mrs. Sanidapron Punnongwha, Senior Professional Level Teachers (K 3 Teachers) in Satri Suksa School who checked the contents of assessment and evaluation. Without their suggestions the effectiveness of the tools used in the research would not have occurred and Mr. Bruce A. Robertson, the lecturer of Joint-Degree English Program, Rajabhat Mahasarakham University who checked the language used in this research.

I would like to acknowledge Dr. Tanapron Pantavee, Vice President for Student Development and Cultural Promotion at Rajabhat Roi-et University and Assistant Professor Dr. Ladawan Wattanabutr, as the second reader of this thesis, and I am gratefully indebted to her for her very valuable comments on this thesis.

Finally, I must express my very profound gratitude to my parents and to my master classmate for providing me with unfailing support and continuous encouragement throughout my years of study. This accomplishment would not have been possible without them.
